

The Women Centres Regional Partnership (WCRP) is currently looking for an experienced

Consultant

The WCRP invites you to apply to conduct a visioning exercise and facilitate the involvement of the Boards, Operational Directors and staff of the four lead organisations in a structured process designed to review, consider and agree a strategic identity for a regional infrastructure body which serves the needs of women from disadvantaged areas across all of Northern Ireland.

This work is funded by the Department for Social Development.

Please email Tiziana O'Hara at info@wcrp.org.uk for more information and the tender specification.

The Women's Centres Regional Partnership (WCRP) is a Partnership of four lead regional and sub regional women's organisations linking with fourteen frontline women's organisations across Northern Ireland. The four lead organisations are the Women's Resource and Development Agency, the Women's Support Network, the N.I. Rural Women's Network and the Women's Centre, Derry.
